PRAISES

38 children made decisions to follow Christ

We had a very safe and exciting summer.

We had a lot of new staff.

New horses were donated.

We were able to find homes for all the horses for the winter.

Plans for a new barn are being put into place

Up coming retreats and rentals

Safe Trip for us to New Jersey

Just because camp is over that doesn't mean things have slowed down here. It is still booming with rentals. We had Hemophiliac Camp and B.O.W. from Natural Resources return again this year, with a few new renters as well.

Before camp started we had our first 24 Hour Baseball Fund Raiser. Yes, we played baseball for 24 hours. We pray this will grow every spring. We played 138 innings and the score was 177 to 179. This was a great way for staff to raise money as well as for the camp. After all expenses were paid, prizes for the top 3 staff fund raisers and staff sponsorship paid, the camp raised \$7000. The 3 top staff fundraisers were Emily Bergman, Emily Babineau and Shanda Taylor. We plan to do this event every spring and we will be looking for more participants so feel free to play some ball with us next spring.

We started our summer off with our annual week of staff training. We had many new staff, which was great to see and the Lord blessed us with a great group of guys this summer, as we are always short on male staff. This summer we were able to send 75 children to camp through our camper sponsorship program. We had a great group of speakers again this summer. Adventure and Wilderness Camp are 2 of our specialty off site camps that we ran again this summer. They were both a HUGE hit with the 10-14 year olds. Horse back riding is a big part of our camping experience and with being down 7 horses that we could no longer use the Lord looked after us. We had 2 horses donated; we were able to purchase 2 and 1 borrowed. We offered surfing at Martinique Beach during the Sr. Teen Retreat that we run at the end of camp. This was an awesome experience for the teens and they loved it. Over all we had an incredible camp season with minimal injuries and homesickness. Best of all, 38 children come to know Christ and 17 re-dedications. Praise the Lord!

Please keep us in your prayers as we have taken on a new challenge this year home schooling our daughter and as we head to New Jersey again this Fall to promote the camp in the supporting churches there. God Bless
