Volume 4 of 4

For unto you is born this day in the city of David a Savior, which is Christ the Lord. Luke 2:11

### Taylor's Tales

We want to thank everyone who prayed for our safe ministry trip to New Jersey. We had a wonderful 15 days with friends as we visited 3 churches presenting our ministry. Mark had many speaking engagements including a men's breakfast, 3 church services and an Adult Sunday School class.

As winter and Christmas comes upon us we think to ourselves how fortunate we are to have a warm home, food on our table, family, health and most importantly a precious gift given to us, our Savior. So with all the excitement during this busy season of shopping, decorating, wrapping paper, ribbons and bows look around you and find your most precious gift, Chances are, it will not be under your tree. Wishing you a very Merry CHRISTmas!

### TRABER TIMES

Here at camp September and October were just as busy as July and August. We were booked every weekend, Thursday – Sunday with rental groups. Using Wednesday to prepare for each rental and Monday as clean up day, leaving Tuesday for a day to recover before the next one.

A few things will be going on over the winter here at MTBC, our February Freeze, for kid's grade 1-7. This will be held February 11&12, 2011. Last year's retreat was an awesome time and we pray for snow cause a winter retreat is not complete without SNOW. Another Scrap booking retreat will be held in January. FLOW and MOI will also be running again this April. Please see web site for all details on these upcoming events.

As most of you know our horses are the biggest draw here at MTBC. In order to continue this we are planning to have a good old barn raising. We have sparked much interest from our church friends in the U.S. to send up building crews, however we need to start our fund raising venture. Please pray for this need and watch our web site for our 2011 fundraisers, or see below for how to make a donation to this project.

### Nicole's Notes

Much has happened in the past three months, so I will update you on the highlights. In October I attended Candidate orientation in Pennsylvania. I learned a lot about BCM and support raising. Overall it was a great week and now that I have completed orientation I am officially a BCM missionary! Also in October, we had our 5<sup>th</sup> FLOW (Fulfilling Lives of Worth) retreat. We had over 50 teenage girls from grades 1-12; I can defiantly see the Lords hand in this ministry, considering we only had 9 girls at the 1<sup>st</sup> retreat in 2009. It was a wonderful weekend spent learning and discussing the Word and we look forward to the next one in April. Other then that, I have just been settling into life here at Mount Traber. We were very busy in Sept. and Oct. with rentals, but now Christmas is here and I am excited to spend some quality time with family and friends. Pray you all have a wonderful Christmas, celebrating Jesus birth! In Christ Alone,  
Nicole Davis
